

# Diamond Prices Prediction Project

By: Fares & Meshal

Class: 1

## Problem Definition

Knowing The Prices Of The Diamonds

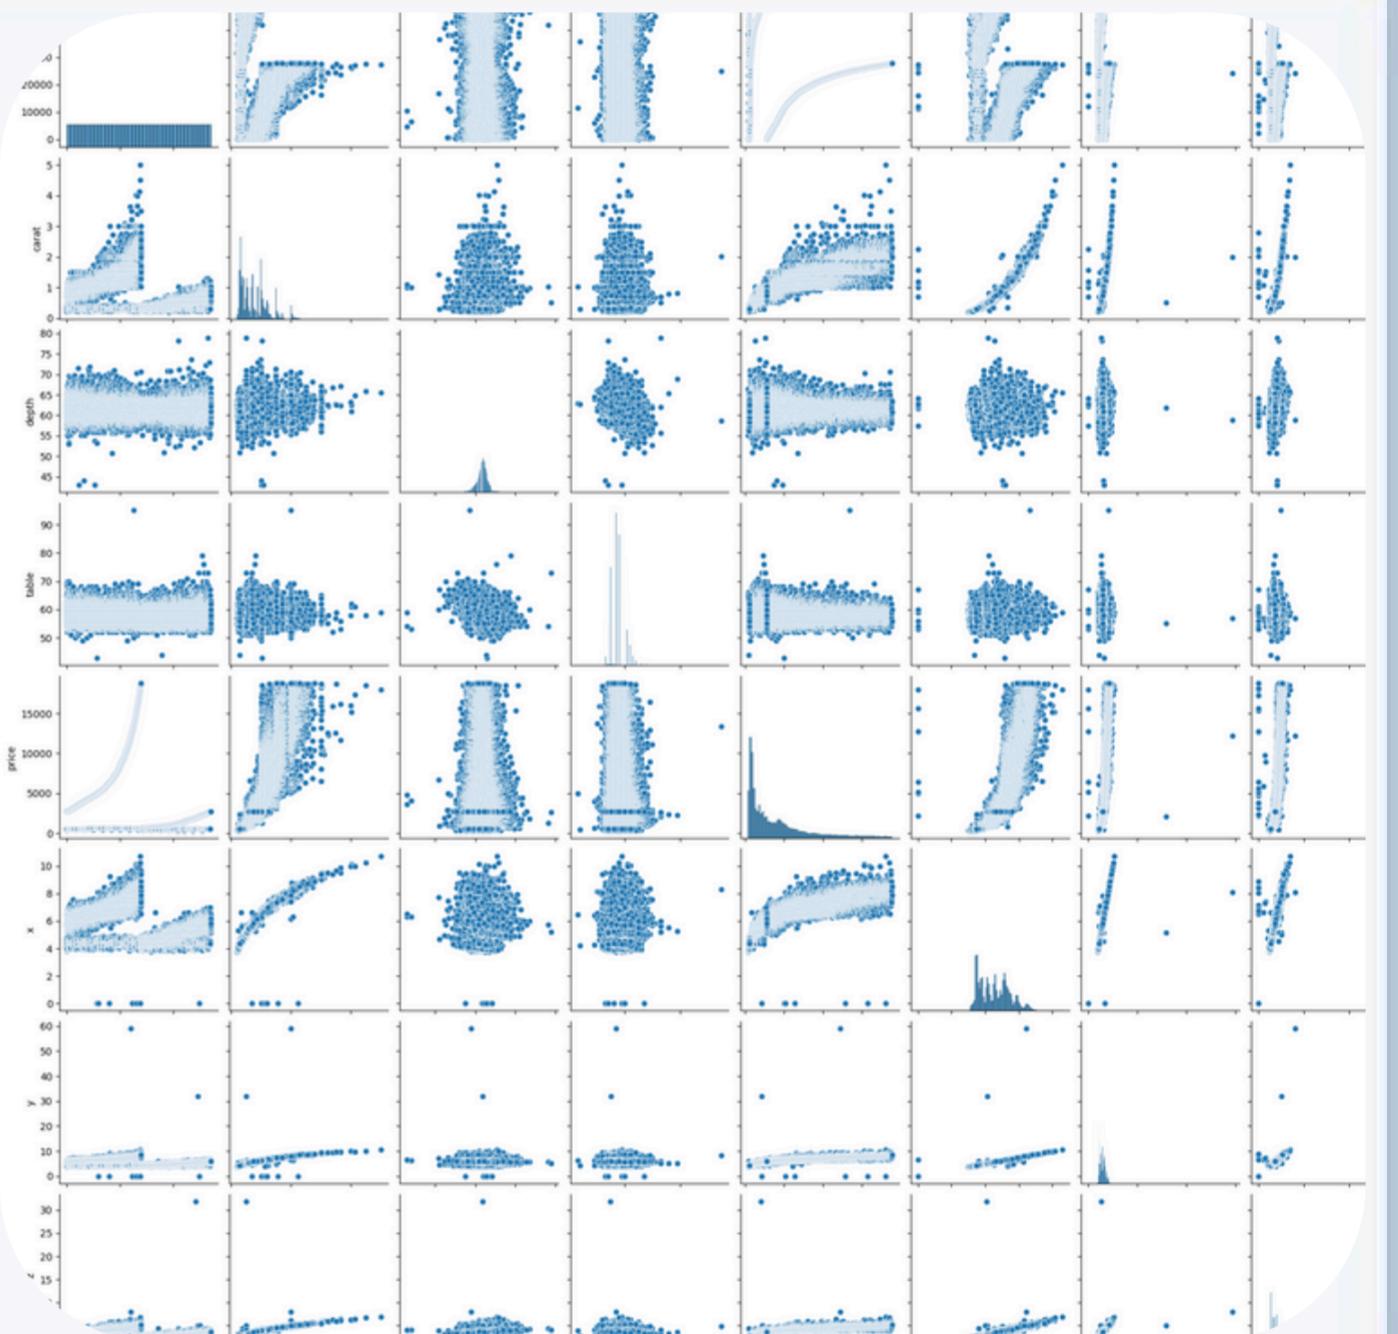

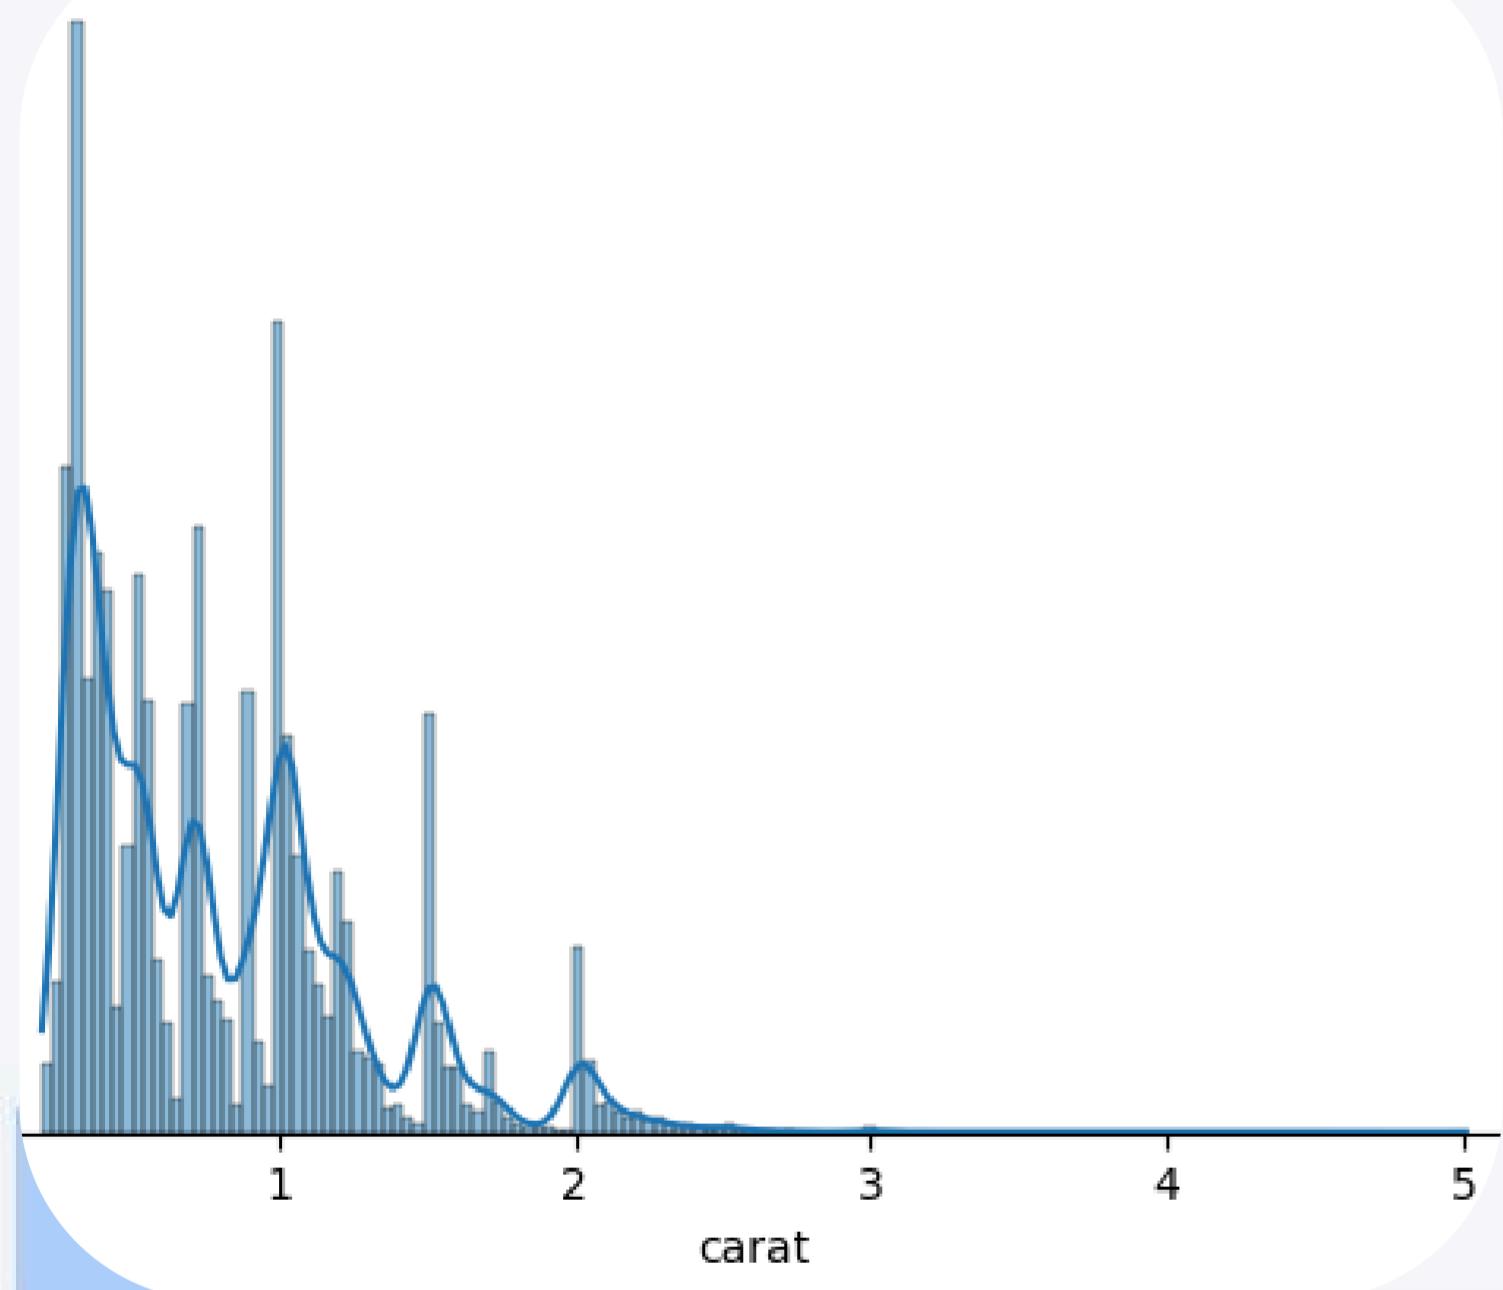

## Proposed solution

Making A ML Model That Predict The Prices Of The Diamonds

## Exploratory Data Analysis (EDA)

## Algorithms

Linear Regression “Most Optimal”  
Gardio Interface “Bonus”

## Tools

Google Colab

## Future Work

We Currently Don't Have Any Plans For That Since We Already Finished The Model.
